RED WINE

LEVIATHAN

WHAT Always Cabernet Sauvignon, Cabernet Franc, Merlot and Syrah, never the same blend twice.

WHERE A selection of some of the most unique vineyards in and around Napa Valley, both extreme and well-traveled, with new sites and sources forever around the corner.

WHO Andy Erickson, a winemaker known for powerful, complex and balanced wines.

TASTE A beastly red blend, hungry and rapturous! Dense berry fruits, licorice and bittersweet chocolate swirl and eddy with coffee and peppery spice; balanced with bright acidity and assertive oak.

FOOD Think Argentinian BBQ- *Asado*... Charred meats with salted and lightly oiled vegetables, the savory juices of roasted fruits. Dark flavors, deeply enjoyed.
